Dear Skaggs Foundation Board Members:

On behalf of the students impacted by your generosity, I would like to thank you for awarding a *Skaggs Legacy Grant* to the Branson School District to benefit the *Cents of Pride* store. The impact the grant has made on the overall health of our students is beyond measure.

The premise behind our school store is very simple. Students are awarded “pride bucks”, by faculty, to be used in the store. These are given to students in exchange for displaying positive attitudes, maintaining good attendance and turning in assignments on time. All students are entitled to receive these.

The *Skaggs Legacy Grant* affords us the opportunity to stock the store with new clothing (coats, socks, underwear, hats, gloves); consumable goods (hygiene products, personal care items, nonperishable food); school supplies; bedding and linens. Last year alone, the needs of 966 high school students were met through the school store.

Because of support from the *Skaggs Foundation*, the *Cents of Pride* store has become a place that our students can count on to provide them with essentials needed in their everyday lives. The store also supports our staff and a desire to take care of student needs outside the classroom.

Thank you, again, for the grant we received. We are grateful to the *Skaggs Foundation* for its generosity and interest in our students.

Sincerely,

Brenda Romine
